Answer

ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SMT. ANUPRIYA PATEL)
(a) to (d): No disease has been classified as generic disease as such. However, as part of strengthening of laboratory network, Government of India has approved a proposal for "Establishment of 30 branches (including 8 existing branches) of NCDC in all States and one UT of India" on 24.04.2015 for a total outlay of Rs.367.60 crore to be implemented in phased manner as per availability of land and funds. One of these branches will be established in Gujarat. All State Governments through Director of Health Services of each State have been requested to provide approximate 2-3 acres of land free of cost for setting up of NCDC branch. Allocation of land/ suitable building to establish NCDC branch is awaited from Government of Gujarat.
